

Notice

Subject: *United Nations Al-Qaida and Taliban Regulations (UNAQTR) – Changes to Consolidated List*

Date: June 21, 2016

This notice is directed to the attention of all banks, authorized foreign banks, trust and loan companies, cooperative credit societies, life insurance companies, property and casualty insurance companies and fraternal benefit societies.

On June 20, 2016, the United Nations Security Council (UNSC) announced that the Al-Qaida Sanctions Committee approved the deletion of one individual from its Consolidated List of individuals and entities (the List).

Details of the amendments to the List are contained in the UNSC press release that can be viewed using the following link:

<http://www.un.org/press/en/2016/sc12409.doc.htm>

The tables posted on the [OSFI Web site](#) have been updated to incorporate the amendments, which have been bolded for ease of reference.

The UNAQTR require every federally regulated financial institution to review its records on a continuing basis¹ for the names of individuals or entities covered by the UNAQTR (Designated Persons) and:

- Report immediately to the RCMP and CSIS (contact details below) any property of a Designated Person in its possession or control that has been frozen; and
- Report monthly to the relevant regulator, which, in the case of federally regulated financial institutions, is the Office of the Superintendent of Financial Institutions (OSFI) on the aggregated value of frozen property in its possession.

¹ OSFI interprets “review its records on a continuing basis” as a full search of the financial institution’s records at least weekly, and more frequently as necessary.

Any findings based on the changes noted above must be included in reports to regulators due by July 15, 2016.
