

May 11, 2018

**TO:            All Subscribers of OSFI's website**

**FROM:        Ima Okonny  
                 Director, Regulatory Data Management**

**SUBJECT: Disclosure of Federally Regulated Mortgage Insurers on OSFI's website**

Effective immediately, OSFI has made changes to the way that Federally Regulated Mortgage Insurers will appear on the Financial Data and Who We Regulate web pages.

### **Who We Regulate**

Under the Property & Casualty Insurance Companies section of the page, mortgage insurers have been moved from being listed under the Canadian P&C company category to a new category called Canadian Mortgage Insurers.

### **Financial Data**

Under the Property and Casualty Companies page, you will see a new category called Canadian Mortgage Insurers.

Please note that up to and including Q4 2017, "Total Canadian P&C Companies" industry totals will continue to include Canadian mortgage insurers' data. Effective Q1 2018, to determine "Total Canadian P&C Companies" industry totals, you will need to add "Total Canadian P&C" and "Total Canadian Mortgage Insurers".

For any questions, please contact OSFI's Returns Administration via email at [RA-RRS.Support@osfi-bsif.gc.ca](mailto:RA-RRS.Support@osfi-bsif.gc.ca).
