Title	Changes to the Foreign Bank Branch Deposit Requirement (Guideline A-10)
Category	Capital Adequacy Requirements
Date	December 4, 2019
Sector	Foreign Bank Branches

---

**To:** Foreign Bank Branches (FBBs)

OSFI is releasing the final version of Guideline A-10 applicable to Foreign Bank Branches for implementation on January 1, 2020. The guideline addresses OSFI's expectations regarding the minimum deposit, to be held in trust, which authorized foreign banks must maintain in respect of their business in Canada.

Revisions include changing the guideline's title to *Foreign Bank Branch Deposit Requirement* from *Capital Equivalency Deposit*, updates and simplifications, and changes to the deposit ratio calculation: off-balance sheet liabilities will no longer be included while accrued expenses will now be included in the calculation.

The attached table in Annex 1 summarizes comments received during the consultation process and provides an explanation of how the comments have been addressed. We thank those who participated in the process.

Questions concerning these changes can be sent to Paul Melaschenko, Capital Division by email at [paul.melaschenko@osfi-bsif.gc.ca](mailto:paul.melaschenko@osfi-bsif.gc.ca).

Yours truly,

Ben Gully
